

A WORK IN PROGRESS

HOW TO MAKE ADDITIONS OR CORRECTIONS

Many remote burial sites are yet to be discovered and/or reported. We are especially interested in preserving the information for these unreported or yet-to-be-discovered cemeteries. If anyone has additional information that needs to be included, we would like to hear from you. Making apparent corrections will be of great benefit now and for generations. Contact the Coordinator. Contact information is on the back of this brochure.
